

October Workshop
Back to Basics with Fran Inglis

Come out for a day of discussing such things as:

1. How to Become a Material Girl;
2. Rotary Cutting or a Strippers Delight;
3. Making Sense of that Pattern;
4. That Pesky 1/4 Inch Seam;
5. Pressing Matters;
6. Meet Your Walking Foot;
7. Putting It All Together;
8. Batts and Binding.

Supplies Required

One meter of focus fabric and three coordinating fat quarters (one lighter, one darker and one neutral);

Several buttons to match;

Rotary cutter and mat, seam ripper, walking foot (I have several extras), 1/4 inch foot for your machine, matching thread and take time to wind yourself a bobbin.

Otherwise you need the regular things for a workshop...sewing machine, scissors, pins, thimble(?), patience and a big smile!
