

LIBERATE YOUR CREATIVE SPIRIT

NHQG WORKSHOP by Irma Bull - Thursday February 22, 2018

We will create a journal that will highlight things you think are important. Or it can be a gift. You will learn to use ordinary household things in a different way to create artistic effects. Your journal will express your unique spirit and be a record of your artwork, so you can use these techniques in other projects.

Irma will provide the pages and many of the materials.

Cost of the kit is \$12.

You will bring a sewing machine and sewing kit.

5 fat quarters in colours you like

One metre of plain white or off-white fabric.
